# Ranking Dashboard for [redacted]

**What you need to know about the information provided**

Ranking on Booking.com is dynamic and specific to each search. It's determined by different factors relating to your property, the guest's search request, and where applicable, the guest. You can monitor these selected factors to help improve visibility in search results.

In No Parity (including all countries in the European Economic Area) and Narrow Parity countries, we don't consider prices, availability or other commercial conditions outside Booking.com when determining your ranking. You can verify your country's parity status in your general delivery terms (GDTs).

## Factors influencing your search ranking

These selected factors can help you understand areas connected to how your property appears in relevant searches. Data shown in this section is for the last 90 days.

| Factors | Your property | How this may affect ranking | What you could do |
|---|---|---|---|
| Average daily rate | THB 1,868.56 | Prices offered on Booking.com may be considered in ranking, depending on the guest's search and other factors. | Review room rates |
| Property page score | 100.00% | Complete and accurate property information, including photos, descriptions, facilities and amenities, helps guests assess your property and may support visibility in relevant searches. | Check property info |
| Guest review score | 5.5 | Guest reviews help guests assess the quality of your property and may be considered in ranking. Monitoring reviews can help identify areas for improvement. | Review guest feedback |
| Conversion rate | 1.22% | Shows how often property page views lead to bookings. Conversion may be considered in ranking. | - |

Participation in programmes such as Genius, deals, Preferred, Preferred Plus and Visibility Booster may influence visibility in search results. Preferred, Preferred Plus and Visibility Booster involve higher commission.

**Good value for money, good location.**

The hotel is a bit old, but it's good value for money. The staff are all friendly and welcoming, from the receptionists to the housekeepers. The location is excellent, and the toiletries are complete.
A bit old and has a musty smell.
